EastGroup Properties Announces Dividend Increase

JACKSON, MISSISSIPPI, August 25, 2023 — EastGroup Properties (NYSE: EGP) (the “Company”, “EastGroup”) announced today that its Board of Directors approved an increase in its quarterly dividend, raising it to \$1.27 per share from \$1.25 per share. Projected total dividends per share for 2023 are expected to represent an increase of 7.2% over total dividends declared in 2022.

The \$1.27 per share dividend is payable on October 13, 2023, to shareholders of record of Common Stock on September 29, 2023. This dividend is the 175th consecutive quarterly cash distribution to EastGroup’s shareholders and represents an annualized dividend rate of \$5.08 per share. EastGroup has increased or maintained its dividend for 31 consecutive years. The Company has increased it 28 years over that period, including increases in each of the last 12 years.

About EastGroup Properties, Inc.

EastGroup Properties, Inc. (NYSE: EGP), a member of the S&P Mid-Cap 400 and Russell 1000 Indexes, is a self-administered equity real estate investment trust focused on the development, acquisition and operation of industrial properties in major Sunbelt markets throughout the United States with an emphasis in the states of Florida, Texas, Arizona, California and North Carolina. The Company’s goal is to maximize shareholder value by being a leading provider in its markets of functional, flexible and quality business distribution space for location sensitive customers (primarily in the 20,000 to 100,000 square foot range). The Company’s strategy for growth is based on ownership of premier distribution facilities generally clustered near major transportation features in supply-constrained submarkets. EastGroup’s portfolio, including development projects and value-add acquisitions in lease-up and under construction, currently includes approximately 57.9 million square feet.

Forward-Looking Information

The statements and certain other information contained herein, which can be identified by the use of forward-looking terminology such as “may,” “will,” “seek,” “expects,” “anticipates,” “believes,” “targets,” “intends,” “should,” “estimates,” “could,” “continue,” “assume,” “projects,” “goals” or “plans” and variations of such words or similar expressions or the negative of such words, constitute “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and are subject to the safe harbors created thereby. These forward-looking statements reflect the Company’s current views about its plans, intentions, expectations, strategies and prospects, which are based on the information currently available to the Company and on assumptions it has made. For instance, the amount, timing and frequency of future dividends is subject to authorization by the Company’s

Board of Directors and will be based upon a variety of factors. Although the Company believes that its plans, intentions, expectations, strategies and prospects as reflected in or suggested by those forward-looking statements are reasonable, the Company can give no assurance that such plans, intentions, expectations, strategies and prospects will be attained or achieved. Furthermore, these forward-looking statements should be considered as subject to the many risks and uncertainties that exist in the Company's operations and business environment. Such risks and uncertainties could cause actual results to differ materially from those projected. These uncertainties include, but are not limited to: international, national, regional and local economic conditions; disruption in supply and delivery chains; construction costs could increase as a result of inflation impacting the costs to develop properties; the competitive environment in which the Company operates; fluctuations of occupancy or rental rates; potential defaults (including bankruptcies or insolvency) on or non-renewal of leases by tenants, or our ability to lease space at current or anticipated rents, particularly in light of the impacts of inflation; potential changes in the law or governmental regulations and interpretations of those laws and regulations, including changes in real estate laws, Real Estate Investment Trust ("REIT") or corporate income tax laws, or potential changes in zoning laws, or increases in real property tax rates, and any related increased cost of compliance; our ability to maintain our qualification as a REIT; acquisition and development risks, including failure of such acquisitions and development projects to perform in accordance with projections; natural disasters such as fires, floods, tornadoes, hurricanes and earthquakes; pandemics, epidemics or other public health emergencies, such as the coronavirus pandemic; availability of financing and capital, increase in interest rates, and ability to raise equity capital on attractive terms; financing risks, including the risks that our cash flows from operations may be insufficient to meet required payments of principal and interest, and we may be unable to refinance our existing debt upon maturity or obtain new financing on attractive terms or at all; our ability to retain our credit agency ratings; our ability to comply with applicable financial covenants; credit risk in the event of non-performance by the counterparties to our interest rate swaps; lack of or insufficient amounts of insurance; litigation, including costs associated with prosecuting or defending claims and any adverse outcomes; our ability to attract and retain key personnel; risks related to the failure, inadequacy or interruption of our data security systems and processes; potentially catastrophic events such as acts of war, civil unrest and terrorism; and environmental liabilities, including costs, fines or penalties that may be incurred due to necessary remediation of contamination of properties presently owned or previously owned by us. All forward-looking statements should be read in light of the risks identified in Part I, Item 1A. Risk Factors within the Company's most recent Annual Report on Form 10-K, as such factors may be updated from time to time in the Company's periodic filings and current reports filed with the SEC.. The Company assumes no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
