

EastGroup's portfolio:

64 million square feet

EastGroup Properties, Inc. (NYSE: EGP), a member of the S&P Mid-Cap 400 and Russell 2000 Indexes, is a self-administered equity real estate investment trust focused on the development, acquisition and operation of industrial properties in high-growth markets throughout the United States with an emphasis in the states of Texas, Florida, California, Arizona, and North Carolina. The Company's goal is to maximize shareholder value by being a leading provider in its markets of functional, flexible and quality business distribution space for location sensitive customers (primarily in the 20,000 to 100,000 square foot range). The Company's strategy for growth is based on ownership of premier distribution facilities generally clustered near major transportation features in supply-constrained submarkets. EastGroup's portfolio, including development projects and value-add acquisitions in lease-up and under construction, currently includes approximately 63.9 million square feet.

our strategy

Increasing shareholder value through development, acquisitions and internal operations as the premier provider of multi-tenant business distribution space. Submarket driven investments where location sensitive customers want to be. Clustering of multi-tenant, shallow bay business distribution properties on infill sites around major transportation features. Diversification in high-growth markets.
